Universität Bayreuth
International Office
Universitätsstraße 30 / ZUV
95447 Bayreuth, Germany

Are you a university graduate?

A prospective student?

Or a researcher looking for a new challenge?

The University of Bayreuth offers:

- one-on-one advising
- visiting student status
- free access to university sport facilities
- free German language courses
- free English language courses
(limited slots for upper level courses)
- study opportunities
(over 120 bachelor's and master's programmes)
- continuing education opportunities
- networking opportunities for researchers

What you need:

- a school-leaving certificate (for admission to study)
or
- a university degree

An individual examination can be organized for applicants who are unable to provide the required documents
